

Visiting Hours

We understand the importance of family and friends in the healing process of our patients. To ensure a comfortable environment and adequate rest for our patients, we have established visiting hours. Please adhere to the following guidelines:

General Visiting Hours:

- **Weekdays:** 3:00 PM to 8:00 PM
- **Weekends:** 12:00 PM to 6:00 PM

Specialty Units:

- **ICU/CCU:** Visiting hours are limited to ensure patient rest and privacy. Please check with the nursing staff for specific visiting times and restrictions.

Visiting Guidelines:

1. **Visitor Limit:** To ensure a healing environment, we request a maximum of two visitors per patient at a time.
2. **Children:** Children under the age of 12 must be accompanied by an adult and are welcome during general visiting hours.
3. **Health Guidelines:** Please do not visit if you have symptoms of illness, such as fever, cough, or cold.
4. **Respect Privacy:** Respect the privacy and needs of other patients during your visit.

Important Notes:

- **After-Hours Access:** Please enter through the Emergency Department after general visiting hours.
- **Exceptions:** Special circumstances may allow for extended visiting hours. Please discuss with the nursing staff or patient's care team.

Thank you for helping us maintain a healing and supportive environment for all our patients. If you have any questions or need further assistance, please contact our main reception at 02668-265300 or speak with our nursing staff.
